

A3 black & white MFP that is adaptable to your future needs

# MX-M2630

Give your workforce the advantage they need to stay productive

- Print, Copy, Scan, Fax, File
- Paper capacity: Std 650 Max 6300 sheets
- Print Release function gives users the ability to send and store documents on a main MFP for authentication and print out from any networked MFP\*1
- Short warm up time helps reduce energy consumption and improve productivity
- Pages per minute: 26 B/W
- Customisable, tiltable 7-inch colour LCD touchscreen with easy UI mode enables intuitive navigation of MFP functions
- Optional single sign-on brings easy access to public cloud storage services
- Optional OCR allows users to convert scanned documents into editable MS Office files (pptx, xlsx, docx) and searchable PDFs

# Specifications

## GENERAL

|                                                  |                       |
|--------------------------------------------------|-----------------------|
| Engine speed: A4 B/W (ppm)                       | 26                    |
| Engine speed: A3 B/W (ppm)                       | 15                    |
| Paper size: Min.-Max.                            | A5 - A3W              |
| Paper weight (g/m <sup>2</sup> )                 | 60 - 300              |
| Paper capacity: Std. (sheets)                    | 650                   |
| Paper capacity: Max. (sheets)                    | 6300                  |
| Warm Up Time (sec.)                              | 14                    |
| Memory general: Min./Max. (GB)                   | 5                     |
| Harddisk                                         | OPT                   |
| Harddisk capacity (GB)                           | 500                   |
| Duplex                                           | STD                   |
| Power requirements - rated local AC voltage (Hz) | 220 - 240V, 50 / 60Hz |
| Power consumption (kW)                           | 1,84                  |
| Dimensions (mm)                                  | 608 x 650 x 834       |
| Weight (kg)                                      | 64                    |

## DOCUMENT FEEDER

|                            |     |
|----------------------------|-----|
| Original capacity (sheets) | 100 |
|----------------------------|-----|

## DOCUMENT FILING

|                                                         |                                                           |
|---------------------------------------------------------|-----------------------------------------------------------|
| Document filing (Standard / Option)                     | OPT                                                       |
| Document filing capacity: main & custom folders (pages) | 20.000                                                    |
| Document filing capacity: quick file folder (pages)     | 10.000                                                    |
| Stored jobs                                             | Copy, print, scan, fax transmission                       |
| Storage folders                                         | Quick file folder, main folder, custom folder (max. 1000) |
| Confidential storage                                    | •                                                         |

## FAX

|                                            |                           |
|--------------------------------------------|---------------------------|
| Fax (Standard / Option)                    | OPT                       |
| Compression method                         | MH / MR / MMR / JBIG      |
| Communication protocol                     | Super G3                  |
| Transmission time (sec.)                   | 3                         |
| Modem speed (bps)                          | 33.600 - 2.400            |
| Transmission resolution (dpi)              | 203,2 x 97,8, 406,4 x 391 |
| Document size: Min.                        | A5                        |
| Document size: Max.                        | A3                        |
| Memory (MB)                                | 1024                      |
| Grey scale (levels)                        | 256                       |
| Dial registration: rapid/speed dial        | 2000                      |
| Broadcast transmission (Max. destinations) | 500                       |

## WIRELESS LAN

|                                  |                                                                     |
|----------------------------------|---------------------------------------------------------------------|
| Wireless LAN (Standard / Option) | OPT                                                                 |
| Compliant regulation             | IEEE802.11 b / g / n                                                |
| Access mode                      | Infrastructure mode, Software AP mode                               |
| Security                         | WEP, WPA / WPA2-mixed PSK, WPA / WPA2-mixed EAP, WPA2-PSK, WPA2-EAP |

## COPIER

|                                       |                      |
|---------------------------------------|----------------------|
| Original paper size: Max.             | A3                   |
| First copy out time: B/W (sec.)       | 3,5                  |
| E-sort Std.                           | •                    |
| Continuous copy (Max. copies)         | 9999                 |
| Scan resolution: B/W (dpi)            | 600 x 600, 600 x 400 |
| Scan resolution: Colour (dpi)         | 600 x 600            |
| Print resolution (dpi)                | 600 x 600            |
| Gradation: B/W (equivalent levels)    | 2                    |
| Gradation: Colour (equivalent levels) | 256                  |
| Zoom range (%)                        | 25 - 400             |
| Preset copy ratios                    | 10                   |

## SCANNER

|                                     |                                                           |
|-------------------------------------|-----------------------------------------------------------|
| Network Scanner (Standard / Option) | STD                                                       |
| Scan method Push scan and Pull scan | •                                                         |
| Push scan resolution (dpi)          | 100, 150, 200, 300, 400, 600                              |
| Pull scan resolution (dpi)          | 75, 100, 150, 200, 300, 400, 600, 50 - 9600               |
| File formats                        | TIFF, PDF, PDF / A, encrypted PDF, compact PDF, JPEG, XPS |
| Scan destination: Desktop           | •                                                         |
| Scan destination: FTP, Email        | •                                                         |
| Scan destination: Network folder    | •                                                         |
| Scan destination: USB memory        | •                                                         |

## PRINTER

|                                     |                                                                                                        |
|-------------------------------------|--------------------------------------------------------------------------------------------------------|
| Resolution (dpi)                    | 600 x 600, 9,600 x 600                                                                                 |
| Network Printer (Standard / Option) | STD                                                                                                    |
| Interface: Std./Opt.                | STD USB 2.0, 10Base-T / 100Base-TX / 1000Base-T                                                        |
| Supported OS: Std.                  | Windows 8.1, 10, Windows Server 2012, 2012R2, 2016, 2019.                                              |
| Supported OS: Opt.                  | Mac OS X 10.6, 10.7, 10.8, 10.9, 10.10, 10.11, 10.12, 10.13, 10.14, 10.15                              |
| Network protocols                   | TCP / IP (IPv4, IPv6)                                                                                  |
| Printing protocols                  | LPR, Raw TCP (port 9100), POP3 (e-mail printing), HTTP, FTP for downloading print files, IPP, SMB, WSD |
| PDL: Std./Opt.                      | STD PCL 6 emulation, OPT Adobe PostScript 3                                                            |
| Available fonts                     | 80 (PCL), 139 (Adobe PostScript 3)                                                                     |

## FINISHING

|                                |            |
|--------------------------------|------------|
| Output capacity: Max. (sheets) | 500 - 3000 |
| Staple capacity: Max. (sheets) | 65         |
| Saddle stitch                  | OPT        |
| Off-set shifting               | STD        |
| Hole punch                     | OPT        |

## TONER YIELD

|                              |       |
|------------------------------|-------|
| Black (pages at 6% coverage) | 40000 |
|------------------------------|-------|
